	1550		
	2260		
Depth	Gondola	Shelf	
	740	305	
	940	405	
Width	No. of Bays	600	915
	1	645	960
	2	1246	1876
	3	1850	2794
	4	2450	3710

Ideal for island gondolas for the front of shop.

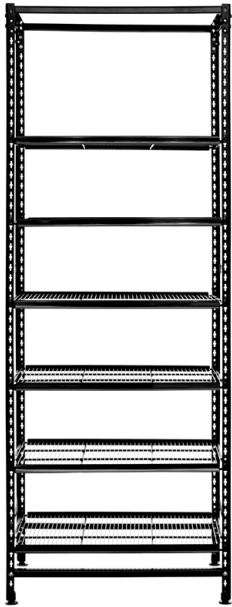

Choose from the different shelf options that suit your shelving needs.

- heavy duty gondola
- white powder coated
- double slotted posts
- adjustable feet
- easy to assemble

Flowsell® supply heavy duty, zinc plated and black powder coated cool room racking, with wire shelves for freezers or with gravity slides for beverages. They are free standing and easy to install.

### Cool Room Racking

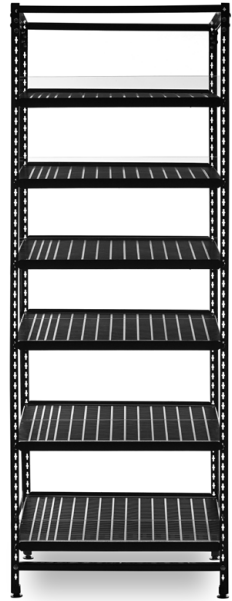

- heavy duty wire shelves
- fit on shelf clips
- security tops & sides for liquor

### Bottle Slide Drink Rack

- high slip polyethylene mat
- tough polycarbonate dividers
- excellent gravity feed
- quick and easy to change dividers
- no destocking for new relays

### Roller Slide Drink Rack

- superior gravity feed mat
- 4mm stainless steel dividers
- unique shelf front with top slots
- dividers lock to slots in the shelf front
- no destocking for new relays

### Drink Rack

Height	2100	
Depth	640	
Width	No. of Bays	
	1	765
	2	1530
	3	2295
	4	3060
	5	3825

### Standard Shelf

Depth	585
Width	740

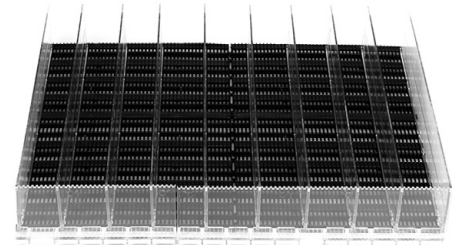

Two innovative gravity slides that fit existing wire shelves in either your fridge or cool room.

## Bottle Slides

### Shelf Front & FastFit Dividers

Height	50	90	130
--------	----	----	-----

- high slip polyethylene mat
- Polycarbonate Shelf Front
- Dividers lock at rear and onto the top of the Shelf Front
- Excellent gravity feed
- Relay without destocking

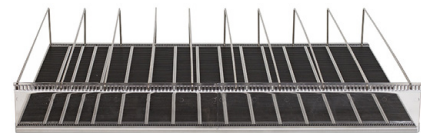

\* Bottle slides can be custom made to fit any wire shelf size

## Roller Slides

### Shelf Front & Wire Dividers

Height	60	90	120
--------	----	----	-----

- Proven platform of rollers
- Polycarbonate slotted Shelf Front
- Non-flexing Wire Dividers with hook
- Prevents stock falling over
- Superior gravity feed
- Reduced gravity angle
- Labor saving

\* Roller Slides require special manufacture for non-standard shelves

A sturdy zinc plated trolley with fixed front and rear brake/swivel heavy duty castors, with a galvanised drip tray in the base. The cost effective trolleys maintain stock rotation and reduce labour costs in cool rooms.

### Flow Trolley

Height	1985
Depth	1045
Width	760

Gravity feed milk trolley on low-friction engineered plastic dividers

- excellent gravity feed
- no trapped milk spills
- easy to clean
- rotates short-dated milk

### Roller Trolley

Height	1985
Depth	1045
Width	760

Gravity feed milk trolley on high slip roller dividers

- aluminium dividers with plastic rollers
- superior gravity feed
- feeds all dairy packs
- lower shelf angle
- easy to clean

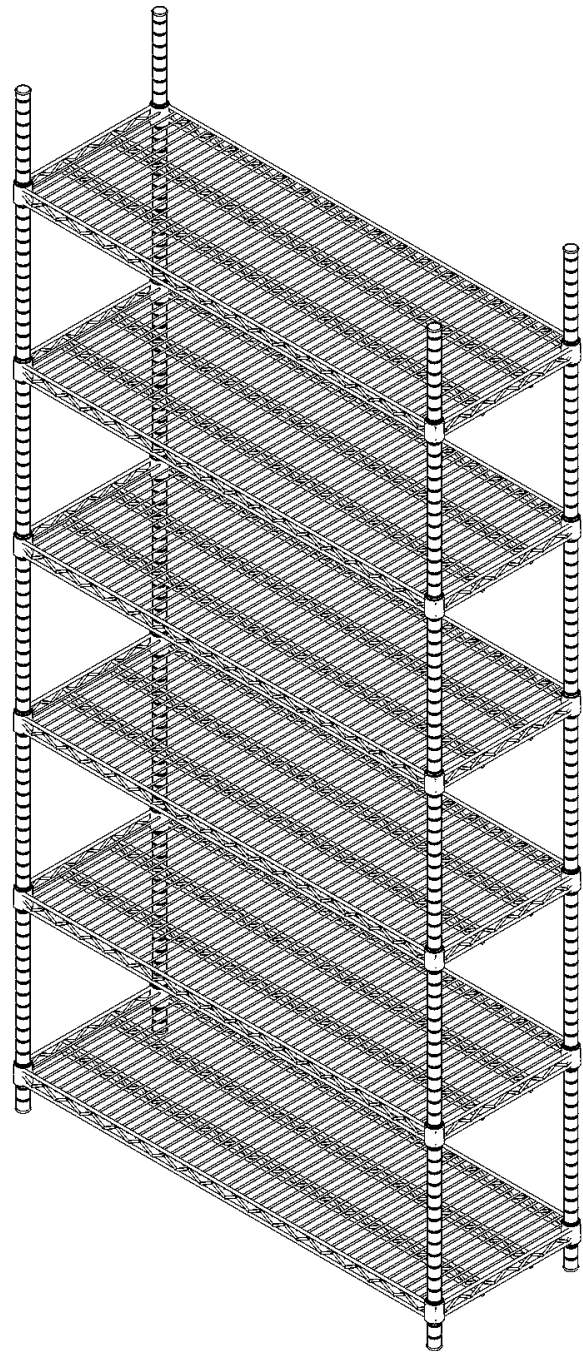

Flowsell® have chrome wire racks for back of house storage and with zinc and black epoxy coating for cool rooms.
